

Drugs and Alcohol

***Community of Concern**

The [Community of Concern](http://www.thecommunityofconcern.org/default.asp) works to engage parents, students and school officials in preventing underage drinking. Information about adolescents and the brain, negative effects of substance abuse, parent and student views on underage drinking, and other resources are available

<http://www.thecommunityofconcern.org/default.asp>

***Substance abuse and mental health publications**

<http://store.samhsa.gov/home>

***Alcoholics Anonymous**
