

Gonzaga "Purple Eagle" Rugby Camp 2017

Boys and Girls

July 11-14, 2017 at Gonzaga College High School

Gonzaga Rugby, the three time National Champion High School Rugby program is sponsoring its annual summer camp for young and/or beginning rugby players between the ages of 11 and 16.

The "Purple Eagle Rugby Camp" is designed to further develop young players with some experience and to safely introduce players with no experience to one of the most exciting and enjoyable sports in the world. Participants will learn about the game and its history as well as the various positions that make up a Rugby football team.

Nationally and internationally recognized coaches will conduct activities designed to teach specific physical skills and game situation sessions that highlight team work, physical fitness and decision-making. Each day will feature games between players of similar ages and abilities and film sessions showing high school and professional club and international matches.
